What to Bring to the Workshop

SNACKS: Each participant should bring 2 snacks and their own reusable water bottle, labeled with their name, which we can refill as needed. Please be sure all are clearly marked or uniquely identifiable to your child. Absolutely no soda or fruit drinks.

CLOTHING: We advise that all participants wear shorts and t-shirt or tank top. There will likely be various art projects (for the set and props) and we strongly suggest that good clothes be kept at home and that your child wear and bring "play clothes" to the workshop that won't matter if it gets paint, papier-mâché paste or glue on it.

TOWEL/BLANKET: Campers should bring a towel or blanket to sit on during lunch and outside activities. Remember to put your name on it.

SUNPROTECTION: Please send your child to the workshop with their own sunscreen (SPF 15 or higher). When weather permits, we will be doing some of the learning sessions and rehearsals outdoors, so it is important to send sunscreen, a sun hat and/or sunglasses.

SCRIPT: Students will need a folder or three-ring binder to keep their script in. Blank paper and pencils are also required everyday. Please make sure that they bring their binder home to review lines and then back to the workshop each day. Please write their name on everything they bring.

BACKPACK: Please send everything in a labeled backpack with your child. This will significantly reduce the number of lost items, since everything will be in one place.

NSP RISING STARS 2018 will perform the original musical

MY TERRIBLE LIFE

A musical, "My Terrible Life" features Henry. Henry's having a bad day. (Or is he?) His sister's annoying. (Right?) His parents are too tough on him. (I think.) His teachers are useless. (So he says.) And his classmates cause chaos (is what he told me.) Join Henry's family, dog, teachers and friends and see how awful they are!! (According to Henry.) What's a kid to do when everything around him is (supposedly) TERRIBLE?

FRIDAY AUGUST 3, 12:30PM

NSP YOUNG ARTIST PROGRAM 2018 will perform the original play

FAT SUE

Sue doesn't know what she looks like; she can never trust her mirror. She spends a lot of time comparing herself to other people, and a lot of time feeling unsure. As she becomes influenced by the media and the desires of her parents, she takes in the message: I should be different. I am not enough. A story about the pressures we place on young people and their bodies, we follow Sue as she attempts to find out what she looks like, and if what she looks like is...okay.
